The consumption of alcoholic beverages is permitted during scheduled private events at the Lussier Family Heritage Center (LFHC). Sale of alcoholic beverages is not allowed and is subject to penalty; charging an entry fee, selling tickets, selling cups or asking for beverage donations where alcoholic beverages are served constitutes sale and is not allowed.

Caterers may not sell alcoholic beverages at the LFHC, even if they have a Class A liquor license at their establishment.

Allowable alcohol sales: Nonprofit agencies may sell alcoholic beverages if they have applied for a Temporary Class B Retailer's License from the City of Madison (266-4601). A photocopy or PDF of license must be provided to the LFHC at least one day prior to event. Agency is responsible for following all conditions and rules of the license. Agency must display license at the event. Open to the public events providing complimentary alcoholic beverages must also apply for Temporary Class B Retailer's License from the City of Madison. Carry-ins are not allowed at open to the public events.

A **\$25.00** alcohol beverage permit must be on file with the Facility Manager one week prior to your event.
