My husband and I love the outdoors and wanted a casual, comfortable May wedding weekend, so choosing the Lussier Family Heritage Center was the absolute perfect venue. We held our ceremony outside near the rustic barn, set up a tent on the back patio, and burned a bonfire both Friday night for the rehearsal dinner and Saturday during the wedding. Handfuls of guests commented on how beautiful the surrounding fields and nature preserves were, and the giant oak tree out front made an outstanding impression. Being able to rent the entire building to ourselves at an affordable price with the option of bringing in our own food and alcohol was also a huge plus. The head coordinator, was very easy to work with and responded quickly to any questions we had during the planning process. **The Lussier Family Heritage Center is definitely Madison's hidden gem.**

Lael and Michelle were amazing! We worked mainly with Lael who answered so many emails with my questions in the months leading up to the wedding. They were so easy to work with. The building and grounds were the perfect size for our reception, and the old oak tree out front was a gorgeous setting for our ceremony. Highly recommend!
