

2023 Wedding Packages

Create Your Happily Ever After With Us!

Located 10 minutes from downtown Madison, this stunning venue offers the perfect space for your wedding. Our beautiful, lodge-style facility is surrounded by 500 acres of natural areas and features a large banquet hall, an open-air shelter, a spacious lobby, a balcony overlooking our grounds, lower patio, and campfire circle. The natural setting and walking trails offer plenty of opportunities for unique wedding photography.

We offer two wedding packages that give you exclusive use of the facility and grounds, as shown below. Additionally, you will have a one-on-one planning meeting with our wedding coordinator prior to your special day to create a floorplan, answer any questions you have, and offer suggestions to help you create a memorable wedding celebration.

My husband and I got married here in June of this year and it was everything I wanted in a venue! The indoor and outdoor spaces were both totally great!

Lael and Michelle were amazing! We worked mainly with Lael who answered so many emails with my questions in the months leading up to the wedding. They were so easy to work with. The building and grounds were the perfect size for our reception, and the old oak tree out front was a gorgeous setting for the ceremony. Highly recommend!

My husband and I love the outdoors and wanted a casual, comfortable May wedding weekend, so choosing the Lussier Family Heritage Center was the absolute perfect venue. Handfuls of guest commented on how beautiful the surrounding fields and nature preserves were. Being able to rent the entire building to ourselves at an affordable price with the option of bringing in our own food and alcohol was also a huge plus. The Lussier Family Heritage Center is definitely Madison's hidden gem.
